A Word From Your Pastor...

Good Morning to Sunday Bible Study and Worship Service!

If you are somewhat new to our church allow me to point you in a great direction for further information about our great church! It is listed in this bulletin as our Next-Steps Class. Almost anything you need to ask or know can be found in this class. Please sign up, if possible, with the QR code.

This week some 20 of our ladies attended the state women's conference Arise in Sedona these last two days and we are all interested to hear how it went! Ladies, don't be shy about what God has done through this time away and together. It is an annual event for us.

Bible teachers and substitutes please take note of our "New Teacher Training" event the second Saturday in October (10th). I want to implore every teacher, and possible future teacher, to come take advantage of this time. We need to all be on the same page for this most valuable ministry. Thank you in advance!

Kindrid online giving is now called Amplify. If you want to set up a new email giving account on your phone, you will now need to download the new phone app: [My Church Home](#) (in your App store). The Icon looks like a blue circle, with an orange outline of a church with a black cross on top. It will ask what church? You can either enter First Southern Baptist or our zip 85302, then select our church. The churches' web site will direct you where you need to go if you want to give online and not through a phone App. We have had several online givers ask if there is a way they can pay the fee our church is charged for online giving. That is available. Next time you give, there should be a box at the bottom asking if you want to pay the fee (3.13% for credit card, 1.27% for giving from your bank account). Just click that box, and the fee will be added to your giving amount. If you are a recurring online giver, you will need to go into your current recurring giving and adjust your giving there to accept the fee.
